

To Whom It May Concern:

Central Jersey Lacrosse (aka CJLAX) is a not for profit organization that works with Freehold Township Parks and Recreation to run lacrosse programs for the children in our community. We teach the fundamentals of the sport as well as team work and good sportsmanship.

On June 10, 2017, CJLAX will be hosting its annual year end awards picnic for the participants in our program. Once again we look forward to getting the families together to recognize the boy's and girl's hard work and accomplishments throughout our Spring lacrosse season.

As part of our picnic, we auction off gift baskets. All proceeds go directly back into the program to provide a better experience for the children. I am writing to request that you consider a donation this year, which would be tax deductible.

Any donation you can make will be greatly appreciated and all sponsors making donations will be acknowledged at the event.

Please contact me if you have any questions or require additional information.

With gratitude,
Steve Shinnars
